Kayla,

I added the drawing date. We're still trying to figure out the make/model of gun and will send that as an addendum when it is figured out. Gail

Hi Kayla,

I hope this email is an acceptable means to requesting that our association can be approved to hold a raffle in South Dakota.

On behalf of the board of directors of the American Council of Engineering Companies of South Dakota (ACEC/SD), a non-profit organization in good standing in SD, I am writing to request the SOS' approval to hold a raffle in South Dakota. We would like to raffle a gun (gun model/make to be determined and I will add an addendum when the gun is purchased) to the membership of the ACEC/SD. The proceeds from the raffle will be sent to the national ACEC office in support of its Political Action Committee (PAC). Once we have gained approval, we will begin to sell tickets to the membership throughout the state. The drawing will be held on November 30, 2016, in Rapid City, during an ACEC/SD membership meeting.

Please let me know what additional information you require.

Thanks for your attention and assistance.
